CHAIRMAN'S SPEECH

My dear Shareholders,

It gives me great pleasure to extend a warm welcome to all of you to the 30th Annual General Meeting of Ishan International Limited. This meeting is being hosted on a digital platform which has an advantage that it enables more shareowners to participate and interact.

Background and Direction for Immediate Future

Friends, your company has completed 30 years of operation. Heartiest and most sincere congratulations to all of you for your support. During this period, we have seen a steady growth in business even though in some years we could not achieve the pace as some of us might have expected. Its noteworthy and a matter of pride that our export of Sugar Machinery has seen continuous growth over these years despite growing competition across the globe. We have successfully added several new items of this massive industry in the last 2 years. We have also added USA as a buyer in our bid to diversify to new countries. Further, we are set to add some new countries of Africa in the current year 2025 – 26 and we are confident of the same. Unfortunately, the new stiff tariffs imposed by the US government will create hurdles in some of our exports to USA. However, we are pleased to inform you that Ishan has already started planning in a creative manner how we can minimize the damage caused by the new tariffs so that our exports to US do not suffer. We are absolutely determined to ensure that exports to USA gain further momentum despite the tariffs.

Our government's policies continue to be business friendly and we highly appreciate the support extended by the government to the MSME sector. This has been the backbone of MSME sector's growth over the last decade.

Environment being one of the top most priorities all over the world, projects for Renewable Energy and Pollution Control continue to have endless demand. India is one of the leading countries in manufacturing of equipment for Renewable Energy and Pollution Control. With this vision nearly 17 years ago, Ishan took a major step by getting into promotion of export of equipment for small Hydro Power plants from India to ASEAN countries back in 2008. Since then Ishan has promoted export of over 40 projects ranging from 1 MW to 60 MW each. This gave Ishan a major head up in Vietnam and will continue to help us in our effort towards business development with our European partners ChKD Energy s.r.o. during the current year 2025 – 26 and for years to come.

The Quality Management System under ISO 9001 : 2015 helps us tremendously in our endeavour to build world class business with profitability and growth as top most priorities. Friends, we would like to assure you that despite occasional hiccups in business and global policy changes, your company is set to make a far greater contribution to Bharat's prosperity and progress as well as to contributing towards reduction of global warming.

As our top most mantra, building long term relationships on the basis of value addition to both ends of the supply chain continues to be our USP.

Growth and Profitability as our Focal Point

Dear Friends, last year we had informed you about the growth oriented short-term targets that we have set for Ishan leading up to the Financial Year 2025-26. A brief review is being given for your information.

1. To reach a turnover of 100 crores, maximize EBITDA and keep operations cost effective. Given the stiff global competition and increasing costs, this is a challenge though as everyone knows we take pride in successfully meeting the challenges. More than the turn over, it is the growth and profitability of the company that is important for stakeholders and that is always our main focus.
2. To become one of the largest Indian suppliers of Sugar Machinery in ASEAN countries. Surely, we are well on our way to achieve this goal.
3. To have the largest market share in Renewable Energy sector, especially in small Hydro, in Vietnam. There has been a setback in achieving this target due to the delay in finalization of projects in Vietnam on account of changing government policies. Despite this delay we continue to have our eyes set on this important target and we are determined to achieve it.
4. To increase focus on projects related to climate control. Protection of environment is an important goal for all of us around the globe and our company is also increasing its focus on Renewable Energy Projects, Pollution Control and Re-cycling of Plastic Waste etc.

GRIP Based Marketing Strategy

As you know, in order to achieve these goals, we have defined and implemented a powerful 4-Dimensional Model. Your company being a Government of India certified Star Export House, we aim to achieve far reaching and much higher goals leading up to 2045 (long term goals) when we celebrate golden jubilee of the company. While I feel that it is too early to define exact targets for 2045, it is surely necessary to have a vision with respect to where we want to see ourselves in 2045. For me that vision is GRIP – Growth (exponential increase of sales year on year supported by addition of manufacturing in our business), Reputation (global brand image and brand

recognition), Innovation (creative thinking and knowledge-based growth) and Profit (creating value for shareholders).

The 4-D Strategy initiated 2 years ago will bear fruits and ensure sustainable growth for years to come. Our market coverage will see rapid expansion as well. While we will continue to focus on the ASEAN countries of South-East Asia, contributions will also come from new markets in India, Africa and North America.

As we aggressively and strategically work towards achieving this vision, we have also kept a sound Risk Management System in place to provide safeguards that are essential in business.

Our honourable Prime Minister Shri Narendra Modi, whom I call “The Most Amazing Person in the World” has given us a priceless vision. The vision of Viksit Bharat @2047. This vision is achievable and is also highly rewarding as we move along the Amritkal leading up to 2047. This extraordinary leadership has rarely been seen before in the world and it is important to point out that once we become a Viksit Rashtra, poverty will be completely eliminated from our country, a task that has eluded us in the past. I am proud to add here that we have started a new drive and initiative called MSME and Viksit Bharat @2047. Under this initiative we are conducting round table discussions across Bharat involving all stakeholders of the MSME sector. So far we have received thumping response in the 2 events held at Nagpur and Ahmedabad. This response not only encourages us but I am sure that it will actually help the entire MSME sector in its desire to make a major contribution towards making Bharat a Viksit Rashtra by 2047 or even before that.

Dear Shareowners, as we continue to evolve, we remain committed to growth, shareholder value, customer satisfaction, value to our employees, our responsibility of creating jobs and our corporate social responsibility.

I would like to take this opportunity to thank all our shareowners for their trust in the company, our employees who are the most important team members, customers who define our existence, our suppliers, consultants, government of India, Bank of India, auditors and advisors for their guidance and encouragement that helps us to emerge victorious.

Thank you very much

Warm regards

Jai Hind

Form MR-3 **Secretarial Audit Report** *For the financial year ended 31st March 2025*

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Ishan International Limited
(CIN- L74899DL1995PLC069144)
Regd. Office: 607, Chiranjiv Tower 43 Nehru place,
South Delhi, Delhi, India, 110019

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Ishan International Limited (“Company”). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on my verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March 2025 (“Audit Period”), complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed, and other records maintained by the Company for Audit Period, according to the provisions of:

- (i) The Companies Act, 2013 and the rules made there under (“**Act**”);
- (ii) The Securities Contracts (Regulation) Act, 1956 and the Rules made there under;
- (iii) The Depositories Act, 1996 and the regulations and byelaws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the Rules and Regulations made there under (“**FEMA**”) to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings [The Company has not raised any External Commercial Borrowings during the Audit Period];

The following regulations and guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (“SEBI Act”):

- a. Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
- b. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; **Not Applicable during the audit period;**
- c. Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- d. Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; -
- e. Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; **Not Applicable during the audit period;**
- f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 - Not Applicable during the audit period; **Not Applicable during the audit period;**
- h. Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 – **Not Applicable during the audit period;**
- i. Securities Exchange Board of India (Depositories and Participations) Regulations, 2018
- j. Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 - **Not Applicable during the audit period**

Other applicable Acts:

- (a) The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013

As per explanation provided by the Management, no sector specific laws are applicable to the Company.

I have relied on the presentation made by the Company and its Officers on systems and mechanism formed by the Company for compliance under other Act, Laws and Regulations to the Company.

Further, I have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards issued by The Institute of Company Secretaries of India with respect to board and general meetings.
- ii. The Listing Agreements entered into by the Company with National Stock Exchange of India Limited read with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the Audit Period, the Company has complied with the provisions of the Act, rules, regulations, guidelines, standards, etc., mentioned above and filed requisite forms and returns within the due date except for an instance where they have filed beyond due date, with additional fee and the same were approved by the Ministry of Corporate Affairs and complied with Listing Obligations and Disclosure Requirements regulations, 2015 subject to the following observations:

1. Delay in completion of bonus issue REG-295 (Company paid Penalty against Bonus Issue amounting to Rs.23,600 (20,000+3,600 GST) on 24.05.24.

3. Notice for non-compliance with SEBI (LODR) Regulations, 2015- non-compliance Regulation 44(3) SEBI (LODR) Regulations, 2015 for month ended 30th September, 2024.(Company paid Penalty amounting to Rs.11,800 (10,000 +1,800 GST) on 24.10.24.

I further report that:

The Board of Directors of the Company is duly constituted with a proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the Audit Period were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance (and by complying with prescribed procedure where the meetings are called with less than seven days' notice), and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at the Board Meetings and Committee Meetings were carried out unanimously as recorded in the Minutes of the Meetings of the Board of Directors or Committees of the Board, as the case may be.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

During the audit period, due to technical glitch at Ministry of corporate affairs platform, in few instances the eForms have been filed with a delay, along with additional fees.

INDEPENDENT AUDITOR'S REPORT

To the members of
ISHAN INTERNATIONAL LIMITED
Report on the Audit of the Standalone Ind AS Financial Statements

OPINION

We have audited the accompanying standalone Ind AS Financial Statements of **Ishan International Limited** (hereinafter referred to as "Company"), which comprise the Balance Sheet as at March 31, 2025 the Statement of Profit and Loss (including other comprehensive income) and the Cash Flow Statement and the Statement of Changes in Equity for the year ended on that date, and notes to the standalone Ind AS financial statements, including a summary of the significant accounting policies and other explanatory information (herein after referred to as "the standalone Ind AS financial statements")

In our opinion and to the best of our information and according to the explanations given to us the aforesaid standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company, as at March 31, 2025, its profit including other comprehensive income, their cash flows and the statement of changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr.	Key Audit Matter	Auditors Response
1.	Recoverability and valuation of allowance for impairment of overdue trade receivables: The Company has old outstanding trade	Our audit procedures included but were not limited to the following: ▪ Obtained an understanding of the process adopted by the Company in

2.	receivables of Rs. 562.74 lakhs for more than 365 days ('overdue trade receivables') as on March 31, 2025. The Company recognizes loss allowance of Rs. 109.44 Lakhs (Rs. 317.98 Lakhs less amount of Rs. 208.54 Lakhs withdrawn from General Reserve) for trade receivables at the expected credit loss ('ECL') as per the principles enunciated under Ind AS 109, Financial Instruments ('Ind AS 109'). Assessment of the recoverability of trade receivables with the related ECL is inherently subjective and requires significant management judgement which includes repayment history and financial position of entities from whom these balances are recoverable, terms of underlying arrangements, overdue balances, market conditions etc. Considering the materiality of the amounts involved and significant degree of judgement and subjectivity involved in the estimates and assumptions used in determining the expected credit loss, we have considered this matter as a key audit matter. We draw your attention to Note no. 38 to the financial results, The Company is yet to complete the formalities of seeking	estimating expected credit loss including the key inputs and assumptions. Since assumptions and parameters are based on historical data, we assessed whether historical experience was representative of current circumstances and are relevant; ▪ Assessed and tested the design and operating effectiveness of the internal controls over the process of estimating recoverability and the allowance for impairment on trade receivables in accordance with Ind AS 109; ▪ Understanding the key inputs used in the provisioning model by the Company such as repayment history, terms of underlying arrangements, overdue balances, market conditions, etc. ▪ Tested the methodology applied in the credit loss provision calculation by comparing it to the requirements of Ind AS 109, and appropriateness and reasonableness of the assumptions related to credit loss rate including the historical bad-debts applied in their assessment of the receivables allowance ▪ Obtained balance confirmation for selected samples as provided by the management and verified the reconciliation for differences, if any for the confirmations received; ▪ Assessed the recoverability of overdue trade receivables through inquiry with the management and by obtaining sufficient corroborative evidence to support the conclusion; The Company is in the process of completing the necessary formalities and documentation for submission to the RBI through the bank and expects to regularize the matter shortly.

3.	extension of time from Reserve Bank of India (RBI) for delay in recovering dues from the foreign customers outstanding for a period exceeding 270 days from the date it became due for payment.	
3.	We draw your attention to Note no. 35 of financial results, During the year, the Company had extended advances aggregating ₹63.75 crores to two suppliers against procurement of materials. Subsequently, the intended customer declined to accept materials from the said suppliers. In response, the Company, in consultation with the original advance recipients, identified alternate vendors who would supply the required materials, with settlement to be made by the parties to whom the advances were originally issued. As of 31st March 2025, advances amounting to ₹44.87 crores remain unsettled and are classified under "Other Current Assets" in the financial statements.	The management is actively pursuing resolution of these outstanding amounts
4.	We draw your attention to note No. 40 to the financial results, the Company had entered into a continuous supply arrangement and all terms and conditions mutually decided with Reliance Industries Limited (customer) for the supply of various products, valued at Rs. 51.42 (Rs. 60.68 cr including GST & TDS) crores. Under this arrangement, materials were supplied directly from the supplier's location to Reliance Industries Limited following a "Bill to Ship to" model. Our vendors, under our instructions, delivered materials directly to Reliance Industries Limited on a regular basis, with each delivery supported by a valid invoice and e-way	Order is stand fulfilled and completed as of 31.03.2025.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the state of affairs, profit and other comprehensive income and cash flows and statement of changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management in the standalone financial statements.
- Conclude on the appropriateness of the Management on use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of the statement in the standalone Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope

and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditors' Report) Order, 2020 ('the Order') issued by the Central Government in terms of Section 143 (11) of the Act, we give in the 'Annexure B' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

(A) As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account;
 - d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Ind AS specified under Section 133 of the Act;
 - e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education

and Protection Fund by the Company.

iv. (a) The management has represented that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented, that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material mis-statement.

v. No dividend have been declared or paid during the year by the company

vi. Based on our examination, the company, has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility. The company has implemented the audit trail facility and is working.

(C) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT -31st MARCH 2025

(Referred to in paragraph A(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (The ‘Guidance Note’).

Management’s Responsibility for Internal Financial Controls

The Company’s management and Board of Directors of the Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to standalone Ind AS financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our

audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls with Reference to standalone Ind AS financial statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT (Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of **ISHAN INTERNATIONAL LIMITED** of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i. (a) (A) The Company's record in respect of fixed assets are required to be updated, at present the records maintained does not show full particulars, including quantitative details and situation, of Property, Plant and Equipment.

(B) The Company is not having any intangible assets.

(b) The Assets of the Company have not been physically verified by the management of the Company. The Company is not having any program for carrying out physical verification of the fixed assets of the Company.

(c) The title deeds of all the immovable properties, as disclosed in Note 2 on Property, plant and equipment to the standalone financial statements, are held in the name of the Company.

(d) The Company has not revalue its Property, Plant and Equipment (including Right-of-use assets) or intangible assets during the year. Accordingly, the reporting under Clause 3(i)(d) of the Order is not applicable to the Company.

(e) Based on the information and explanations furnished to us, no proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in its standalone financial statements does not arise.
- ii. (a) The physical verification of inventory has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedures of such verification by Management is appropriate. In respect of inventory lying with third parties, these have substantially been confirmed by them. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory.

(b) The Company has been sanctioned working capital limit (Packing Credit Limit) in excess of ₹ 5 Crore in aggregate, at any points of time during the period, from banks or Financial institutions on the basis of security of current assets. As per information and explanations provided the said limits are against current assets and collateral securities. This being a clean packing credit limit. 1 Significant Accounting Policies

a Company Overview

Ishan International Limited. ("the Company") is a limited Company incorporated in India having its registered office at New Delhi, India. The Company is in Engineering , Procurement and Construction (EPC) Business. The Company was registered as Private Limited Company under the provisions of The Companies Act, 1956 and got converted in to Limited company on 17th January, 2022. It's Equity Shares are Listed at National Stock Exchange (NSE)

b Basis of Preparation

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and amendments thereof issued by Ministry of Corporate Affairs in exercise of the powers conferred by section 133 of the Companies Act, 2013. In addition, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied except where compliance with other statutory promulgations require a different treatment. These financial statements have been approved for issue by the Board of Directors at their meeting held on 22nd May, 2025.

c Basis of Accounting

The Company maintains its accounts on accrual basis following historical cost convention, except for certain financial instruments that are measured at fair value in accordance with Ind AS. Fair value measurements are categorised as below based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the company can access at measurement date;

Level 2 inputs are inputs, other than quoted prices included in level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the valuation of assets or liabilities.

d Presentation of financial statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended.

e Operating cycle for current and non-current classification

Operating cycle for the business activities of the company covers the duration of the specific project/contract/ product line/service including the defect liability period wherever applicable and extends up to the realisation of receivables (including retention monies) within the agreed credit period normally applicable to the respective lines of business.

f Use of judgement and estimates

The preparation of the financial statements in conformity with Ind AS requires management to make certain estimates, judgements and assumptions. These affect the application of accounting policies, the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the reporting date of the financial statements and reported amounts of income and expenses during the period. Accounting estimates could change from period to period and the actual results could differ from those estimates. These are reviewed by the management on an on-going basis and appropriate changes in estimates are made prospectively as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

The management believes that the estimates used in preparation of these financial statements are just, prudent and reasonable.

g Exceptional Items

An item of income or expense which by its size, type or incidence requires disclosure in order to improve an understanding of the performance of the Company is treated as an exceptional item and disclosed as such in the financial statements.

h Property, Plant and Equipment (PPE)

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment, if any. PPE acquired on hire purchase basis are recognised at their cash values. Cost includes professional fees related to the acquisition of PPE and for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy.

Own manufactured PPE is capitalised at cost including an appropriate share of overheads. Administrative and other general overhead expenses that are specifically attributable to construction or acquisition of PPE or bringing the PPE to working condition are allocated and capitalised as a part of the cost of the PPE.

PPE not ready for the intended use on the date of the Balance Sheet are disclosed as "capital work-in-progress". (Also refer to policy on leases, borrowing costs, impairment of assets and foreign currency transactions infra).

Depreciation is recognised using written Down value method so as to write off the cost of the assets (other than freehold land and properties under construction) less their residual values over their useful lives specified in Schedule II to the Companies Act, 2013, or in the case of assets where the useful life was determined by technical evaluation, over the useful life so determined. Depreciation method is reviewed at each financial year end to reflect the expected pattern of consumption of the future economic benefits embodied in the asset. The estimated useful life and residual values are also reviewed at each financial year end and the effect of any change in the estimates of useful life/ residual value is accounted on prospective basis. Where cost of a part of the asset ("asset component") is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately and such asset component is depreciated over its separate useful life

Depreciation on additions to/deductions from, owned assets is calculated pro rata to the period of use. Extra shift depreciation is provided on a location basis.

Depreciation charge for impaired assets is adjusted in future periods in such a manner that the revised carrying amount of the asset is allocated over its remaining useful life. Assets acquired under finance leases are depreciated on a straight line basis over the lease term. Where there is reasonable certainty that the Company shall obtain ownership of the assets at the end of the lease term, such assets are depreciated based on the useful life adopted by the Company for similar assets.

Freehold land is not depreciated

Such classes of assets and their estimated useful lives are as under:

Particulars of Assets

	Useful Lives (In Years)
Plant and Machinery	15
Factory Premises and Weighbridge	30
Motor cars, Trucks and Dumpers etc.	8
Furniture and Other equipments	10
Office equipments	5
Computers	3

The Company have a program of verification to cover all the items of fixed assets in a phased manner. Fixed assets were physically verified by the management during the year.

i Foreign currency Transactions

Transactions arising in foreign currencies during the year are converted at the rates closely approximating the rates ruling on the transaction dates. Liabilities and receivables in foreign currency are restated at the year-end exchange rates. All exchange rate differences arising from conversion in terms of the above are included in the statement of profit and loss

j Revenue Recognition

Ind AS 115: The objective of this Standard is to establish the principles that an entity shall apply to report useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flows arising from a contract with a customer.

Identifying the Contract

An entity shall account for a contract with a customer that is within the scope of this Standard only when all of the following criteria are met:

- (a) the parties to the contract have approved the contract (in writing, orally or in accordance with other customary business practices) and are committed to perform their respective obligations;
- (b) the entity can identify each party's rights regarding the goods or services to be transferred;
- (c) the entity can identify the payment terms for the goods or services to be transferred;
- (d) the contract has commercial substance (ie the risk, timing or amount of the entity's future cash flows is expected to change as a result of the contract); and
- (e) it is probable that the entity will collect the consideration to which it will be entitled in exchange for the goods or services that will be transferred to the customer. In evaluating whether collectability of an amount of consideration is probable, an entity shall consider only the customer's ability and intention to pay that amount of consideration when it is due. The amount of consideration to which the entity will be entitled may be less than the price stated in the contract if the consideration is variable because the entity may offer the customer a price concession.

Identifying Performance Obligation:

At contract inception, an entity shall assess the goods or services promised in a contract with a customer and shall identify as a performance obligation each promise to transfer to the customer either: (a) a good or service (or a bundle of goods or services) that is distinct; or 596 (b) a series of distinct goods or services that are substantially the same and that have the same pattern of transfer to the customer.

Satisfaction of performance obligations:

An entity shall recognise revenue when (or as) the entity satisfies a performance obligation by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when (or as) the customer obtains control of that asset.

Performance obligations satisfied over time

When either party to a contract has performed, an entity shall present the contract in the balance sheet as a contract asset or a contract liability, depending on the relationship between the entity's performance and the customer's payment. An entity shall present any unconditional rights to consideration separately as a receivable.

Measurement

When (or as) a performance obligation is satisfied, an entity shall recognise as revenue the amount of the transaction price (which excludes estimates of variable consideration) that is allocated to that performance obligation.

Determining the transaction price

An entity shall consider the terms of the contract and its customary business practices to determine the transaction price. The transaction price is the amount of consideration to which an entity expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties (for example, some sales taxes). The consideration promised in a contract with a customer may include fixed amounts, variable amounts, or both.

k Investments:

Under Ind AS, these financial assets have been classified as Fair Value through Profit or Loss (FVTPL) on the date of transition and fair value changes after the date of transition has been recognised in profit or loss.

l Fair value measurement :

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties.

The following methods and assumptions were used to estimate the fair values:

- (a) Fair value of current assets which includes loans given, cash and cash equivalents, other bank balances and other financial assets - approximate their carrying amounts.
- (b) Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for expected losses of these receivables. Accordingly, fair value of such instruments is not materially different from their carrying amounts.

m Borrowings

Borrowing costs include interest expense calculated using the effective interest method, finance charges in respect of assets acquired on finance lease and exchange differences arising on foreign currency borrowings to the extent they are regarded as an adjustment to interest costs.

Borrowing costs net of any investment income from the temporary investment of related borrowings that are attributable to the acquisition, construction or production of a qualifying asset are capitalised/inventoried as part of cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised in Profit or Loss in the period in which they are incurred.

n Financial Instruments

Financial assets and/or financial liabilities are recognised when the company becomes party to a contract embodying the related financial instruments. All financial assets, financial liabilities and financial guarantee contracts are initially measured at transaction values and where such values are different from the fair value, at fair value. Transaction costs that are attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from as the case may be, the fair value of such financial assets or liabilities, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in Profit or Loss.

In case of funding to subsidiary companies in the form of interest free or concession loans and preference shares, the excess of the actual amount of the funding over initially measured fair value is accounted as an equity investment.

A financial asset and a financial liability is offset and presented on net basis in the balance sheet when there is a current legally enforceable right to set-off the recognised amounts and it is intended to either settle on net basis or to realise the asset and settle the liability simultaneously.

(i) Financial Assets

- (A) All recognised financial assets are subsequently measured in their entirety either at amortised cost or at fair value depending on the classification of the financial assets as follows:

- (i) Investments in debt instruments that are designated as fair value through profit or loss (FVTPL) - at fair value.
- (ii) Investments in debt instruments that meet the following conditions are subsequently measured at - at amortised cost (unless the same designated as fair value through profit or loss):

The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and

The contractual terms of instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- (iii) Investment in debt instruments that meet the following conditions are subsequently measured at fair value through other comprehensive income [FVTOCI] (unless the same are designated as fair value through profit or loss)

The asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and

The contractual terms of instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- (iv) Debt instruments at FVTPL is a residual category for debt instruments, if any, and all changes are recognised in profit or loss.

- (v) Investment in equity instruments issued by subsidiary, associate and joint venture companies are measured at cost less impairment.
 - (vi) Investment in preference shares of the subsidiary companies are treated as equity instruments if the same are convertible into equity shares or are redeemable out of the proceeds of equity instruments issued for the purpose of redemption of such investments. Investment in preference shares not meeting the aforesaid conditions are classified as debt instruments at FVTPL.
 - (vii) Investments in equity instruments are classified as at FVTPL, unless the related instruments are not held for trading and the Company irrevocably elects on initial recognition to present subsequent changes in fair value in Other Comprehensive Income.
 - (B) For financial assets that are measured at FVTOCI, income by way of interest and dividend, provision for impairment and exchange difference, if any, (on debt instrument) are recognised in profit or loss and changes in fair value (other than on account of above income or expense) are recognised in other comprehensive income and accumulated in other equity. On disposal of debt instruments at FVTOCI, the cumulative gain or loss previously accumulated in other equity is reclassified to profit or loss. In case of equity instruments at FVTOCI, such cumulative gain or loss is not reclassified to profit or loss on disposal of investments.
 - (C) A financial asset is primarily derecognised when:
 - (i) the right to receive cash flows from the asset has expired, or
 - (ii) the company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement; and (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.
- On derecognition of a financial asset in its entirety, the difference between the carrying amounts measured at the date of derecognition and the consideration received is recognised in Profit or Loss.
- (D) Impairment of financial assets: The Company recognises impairment loss on trade receivables using expected credit loss model, which involves use of a provision matrix constructed on the basis of historical credit loss experience as permitted under Ind AS 109. Impairment loss on investments is recognised when the carrying amount exceeds its recoverable amount.

(ii) Financial Liabilities

- (i) Financial liabilities, including derivatives and embedded derivatives, which are designated for measurement at FVTPL are subsequently measured at fair value. Financial guarantee contracts are subsequently measured at the amount of impairment loss allowance or the amount recognised at inception net of cumulative amortisation, whichever is higher. All other financial liabilities including loans and borrowings are measured at amortised cost using Effective Interest Rate (EIR) method.

A financial liability is derecognised when the related obligation expires or is discharged or cancelled.

Inventories

Inventories are valued after providing for obsolescence, as under:

- (i) Raw materials, components, construction materials, stores, spares and loose tools at lower of weighted average cost or net realisable value. However, these items are considered to be realisable at cost if the finished products in which they will be used, are expected to be sold at or above cost.
- (ii) Manufacturing work-in-progress at lower of weighted average cost including related overheads or net realisable value. In some cases, manufacturing work-in-progress are valued at lower of specifically identifiable cost or net realisable value. In the case of qualifying assets, cost also includes applicable borrowing costs vide policy relating to borrowing costs.
- (iii) Finished goods and stock-in-trade (in respect of goods acquired for trading) at lower of weighted average cost or net realisable value. Cost includes related overheads and GST paid/payable on such goods.
- (iv) Completed property/work-in-progress (including land) in respect of property development activity at lower of specifically identifiable cost or net realisable value.

Assessment of net realisable value is made at each reporting period end and when the circumstances that previously caused inventories to be written-down below cost no longer exist or when there is clear evidence of an increase in net realisable value because of changed economic circumstances, the write-down, if any, in the past period is reversed to the extent of the original amount written-down so that the resultant carrying amount is the lower of the cost and the revised net realisable value.

p Cash and Bank Balances

Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

q Securities Premium Account

Securities premium includes:

- (i) The difference between the face value of the equity shares and the consideration received in respect of shares issued.
- (ii) The issue expenses of securities which qualify as equity instruments are written off against securities premium account.

r Employee Benefits

(i) Short Term Employee Benefits

Employee benefits such as salaries, wages, short term compensated absences, expected cost of bonus, ex-gratia and performance-linked rewards falling due wholly within twelve months of rendering the service are classified as short term employee benefits and are expensed in the period in which the employee renders the related service.

(ii) Post Employment Benefits

- (a) **Defined contribution plans:** The Company's superannuation scheme, state governed provident fund scheme, employee state insurance scheme and employee pension scheme are defined contribution plans. The contribution paid/payable under the schemes is recognised during the period in which the employee renders the related service.
- (b) **Defined Benefit Plans:** The employees' gratuity fund schemes and employee provident fund schemes managed by board of trustees established by the Company, the post-retirement medical care plan and the Company pension plan represent defined benefit plans. The present value of the obligation under defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows using a discount rate based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the defined benefit obligations at the Balance Sheet date.

Re-measurement, comprising actuarial gains and losses, the return on plan assets (excluding amounts included in net interest on the net defined benefit liability or asset) and any change in the effect of asset ceiling (if applicable) is recognised in other comprehensive income and is reflected in retained earnings and the same is not eligible to be reclassified to profit or loss. Defined benefit costs comprising current service cost, past service cost and gains or losses on settlements are recognised in the Statement of Profit and Loss as employee benefits expense. Interest cost implicit in defined benefit employee cost is recognised in the Statement of Profit and Loss under finance cost. Gains or losses on settlement of any defined benefit plan are recognised when the settlement occurs. Past service cost is recognised as expense at the earlier of the plan amendment or curtailment and when the company recognises related restructuring costs or termination benefits.

In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognise the obligation on a net basis.

(iii) Long Term Employee benefits

The obligation recognised in respect of long term benefits such as compensated absences, long service award etc. is measured at present value of estimated future cash flows expected to be made by the Company and is recognised in a similar manner as in the case of defined benefit plans vide (ii)(B) supra.

Long term employee benefit costs comprising current service cost and gains or losses on curtailments and settlements, re-measurements including actuarial gains and losses are recognised in the Statement of Profit and Loss as employee benefit expenses. Interest cost implicit in long term employee benefit cost is recognised in the Statement of Profit and Loss under finance cost.

(iv) Terminal Benefits

Termination benefits such as compensation under employee separation schemes are recognised as expense when the Company's offer of the termination benefit is accepted or when the Company recognises the related restructuring costs whichever is earlier.

s Taxes on Income

Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961 and based on the expected outcome of assessments/ appeals.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Company's financial statements and the corresponding tax bases used in computation of taxable profit and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax liabilities are generally recognised for all taxable temporary differences including the temporary differences associated with investments in subsidiaries and associates, and interests in joint ventures, except where the company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax assets are generally recognised for all taxable temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets relating to unabsorbed depreciation/business losses/losses under the head "capital gains" are recognised and carried forward to the extent of available taxable temporary differences or where there is convincing other evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of reporting period, to recover or settle the carrying amount of its assets and liabilities.

Transaction or event which is recognised outside Profit or Loss, either in Other Comprehensive Income or in equity, is recorded along with the tax as applicable.

t Leases

Ind AS 116 – Leases which sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract and replaces the previous standard on leasing, Ind AS 17 – Leases. Ind AS 116 eliminates the classification of leases for the lessee as either operating leases or finance leases as required by Ind AS 17 and instead, introduces a single lessee accounting model whereby a lessee is required to recognise assets and liabilities for all leases with a term that is greater than 12 months, unless the underlying asset is of low value, and to recognise depreciation of leased assets separately from interest on lease liabilities in the income statement.

The accounting by lessors under the new standard is substantially unchanged from today's accounting in Ind AS 17. Lessors classify all leases using the same classification principle as in IAS 17 and distinguish between two types of leases: operating and finance leases. For operating leases, lessors continue to recognize the underlying asset. For finance leases, lessors derecognize the underlying asset and recognize a net investment in the lease similar to today's requirements. Any selling profit or loss is recognized at lease commencement.

u Provisions, contingent Liabilities and Contingent Assets

Provisions are recognised only when

(i) the Company has a present obligation (legal or constructive) as a result of a past event; (ii) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and

(iii) a reliable estimate can be made of the amount of the obligation.

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows. Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of:

(i) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and

(ii) a present obligation arising from past events, when no reliable estimate is possible. Contingent assets are disclosed where an inflow of economic benefits is probable.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

v Statement of Cash Flows

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method, adjusting the profit before tax excluding exceptional items for the effects of:

(i) changes during the period in inventories and operating receivables and payables transactions of a non-cash nature;

(ii) non-cash items such as depreciation, provisions, unrealised foreign currency gains and losses; and

(iii) all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as at the date of Balance Sheet.

40 The Company had entered into a continuous supply arrangement and all terms and conditions mutually decided with Reliance Industries Limited (customer) for the supply of various products, valued at Rs. 51.42 (Rs. 60.68 cr including GST & TDS) crores. Under this arrangement, materials were supplied directly from the supplier's location to Reliance Industries Limited following a "Bill to Ship to" model.

Our vendors, under our instructions, delivered materials directly to Reliance Industries Limited on a regular basis, with each delivery supported by a valid invoice and e-way bill.

As this was a continuous supply arrangement, we issue periodic invoices that consolidate all deliveries made to Reliance Industries within the billing period, ensuring accurate and efficient accounting of supplies.

41 The business operations of Corporate Office premises are conducted on a sub-leased premises. Our inability to continue operating from such premises, or to seek renewal or extension of such leases may materially affect our business operations. Corporate Office is located at 1616, WTT Building, 16th Floor, Sector 16, Noida, Uttar Pradesh – 201301 wherein the company has brought out the said premises by paying the sales consideration to the ET Infra Developers Private Limited. However, as per the original lease agreement dated August 03, 2010 is required to enter into a sub-lease agreement with the company till the registration of ownership is registered with the Nodia Government. Hence, the Company has entered into a sub-lease agreement with ET necessary stamp duty on the above mentioned premises and also notarized the said sub-lease agreement. However, the ownership of the above mentioned premises yet to be registered in the name of the Company as the stamp duty payment and other formalities related to the title transfer is to be completed at the Lessor's end. In necessary formalities with the Nodia Government for the company to claim the ownership on above mentioned premises. Further, the Company has obtained various secured loans from Bank of India. In this regards, corporate office is mortgaged and hypothecated with Bank of India. Thought, our company repays the secured loan amount in a timely manner as per the terms and conditions of the loan agreement and have provided all the necessary documents relating to the sub-lease agreement, stamp-duty payment, possession letter as provided by the Lessee, we cannot assure that the bank may invoke the mortgage. If any such events occur, Company's operations and cash flows may be adversely impact and may divert management attention from the business operations. Given that business operations are conducted on above mentioned premises, any adverse impact on, or deficiency in the title and/or ownership rights or breach of the terms of any sub-lease agreements may materially affect the business operations.

42 The Company is engaged primarily in business of engineering, procurement and construction (EPC), engineering Goods and spares, construction material, pollution control and renewable energy projects. Accordingly, there are no separate reportable segments as per Indian Accounting standards (Ind AS) 108 dealing with the segment reporting

43 Financial Risk Management objectives and policies:

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Managing Board.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, receivables, payables and loans and borrowings.

i Market Risk (Interest rate risk):

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates

According to the Company's interest rate risk exposure is only for floating rate borrowings. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 0.50% increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

Exposure to Interest Risks

Particulars	As at 31st March, 2025	As at 31st March, 2024
Total Borrowings (Including current maturity of long term debt)	49.85	109.58
% of Borrowings out of above bearing variable rate of interest	100.00	100.00

Interest Rate Sensitivity

A change of 0.50% in interest rates would have following Impact on profit before tax

Particulars	As at 31st March, 2025	As at 31st March, 2024
0.50% increase would decrease the profit before tax by	0.25	0.55
0.50% decrease would increase the profit before tax by	0.25	0.55

ii Credit Risks

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set and periodically reviewed on the basis of such information.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forward-looking information such as:

- Actual or expected significant adverse changes in business,
- Actual or expected significant changes in the operating results of the counter-party,
- Financial or economic conditions that are expected to cause a significant change to the counter-party's ability to meet its obligations.
- Significant increase in credit risk on other financial instruments of the same counter-party,

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the company.

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Subject to notes and balance written off, based on the historical data, loss on collection of other receivable is provided as follows:
