Sub: Ishan International Limited Commissions Solar Pumps in Maharashtra under Pradhan Mantri Kisan Urja Suraksha evam Utthan Mahabhiyan Yojna ("PM-KUSUM YOJNA")

Dear Sir/ Ma'am,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, we would like to inform that Ishan International Limited has signed a subcontract with Rite Water Solutions (India) Private Limited for supply, installation, commissioning, and maintenance of agricultural submersible pumps under the popular Pradhan Mantri Kisan Urja Suraksha evam Utthan Mahabhiyan Yojna (PM-KUSUM YOJNA). These pumps are designed to operate on solar power, reducing the dependency on diesel and grid electricity, thereby lowering operational costs for farmers and promoting sustainable agricultural practices.

The first batch of 20 solar-powered submersible pumps is currently being installed in Chandwad and Niphad Talukas of Nashik District, Maharashtra. This marks a significant milestone in the ongoing efforts to revolutionize the agricultural sector in India by leveraging renewable energy.

This vision behind PM-KUSUM Yojna by the Government of India is aimed at reducing the agricultural sector's reliance on diesel and enhancing farmers' incomes through the use of solar energy.

On July 27, 2024, Ishan International Limited and Rite Water Solutions (India) Private Limited jointly organized an event in Chandwad Taluka to celebrate the commissioning of the first two solar-powered pumps under this initiative. The ceremony was attended by a large number of farmers from Chandwad and Niphad Talukas, alongwith the Director and representatives of Lasalgaon Vibhag Sahkari Kharedi-Vikri Sangh Ltd. A detailed article and video documenting the event are accessible on the Company's website under the head Shining Stories at www.ishanglobal.com.

You are requested to take the above information on record.

Thanking You,
